Hand Lettering Font Vol. 3

Hand lettering can be used to make greeting cards and other small messages in a stylish way. Volume 3 features a classic, pop lettering composed of straight lines. As it uses lines of uniform thickness with little inflection, **Pentel Sign Pen** is recommended for this lettering.

How to Write Hand Lettering Font Vol. 3

1. Thick vertical lines.

2. At the end of each line, add short, deliberately protruding lines (serif) for decoration.

3. The vertical lines should have the same thickness.
